

Jefferson Pitcher is a composer, improviser, sound and video artist. He has released music with *Camera Obscura*, *Moonpalace*, *Dutch East India*, *Words on Music*, and *Tract Records*. He plays electric guitar, making sounds like engines and whales. Although his work explores feedback and prepared guitar, he also draws heavily from his love for melody, and minimalism.

He has toured as a soloist, in numerous ensembles, and has recorded and performed with *Pauline Oliveros*, *Fred Frith*, *Ikue Mori*, *Okkyung Lee*, *Mike Bullock*, *Tim Keiper*, *Christian Kiefer*, *Scott Amendola*, and others. Pitcher's last video (*The Winter of the Dance*) played many festivals including *Ann Arbor*, *Nashville*, and *Palm Springs*.
